

FAR INFRARED EYE WARMER

Powered Heating Pad

3 Temperature Levels & Timer

Reusable & Washable

Constant Heat

USB Powered Heating Pad for the eyes

The Eye Warmer is very comfortable and convenient. It is constructed with a patented silicone rubber heating pad with 3 predefined temperature settings.

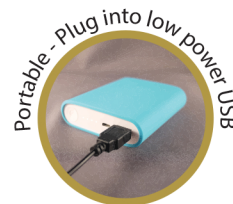

The rubber composite material is advanced engineering, the only type in the world and has unique features including: a large uniform heating surface area, flexible - one size fits all, lightweight and can be hand or gentle machine washed.

Features

- Powered heating pad offers consistent heat stabilisation.
- 3 temperature levels 40/45/50°C. 13 minute timer function.
- Powered with a power plug adapter (included) or USB power bank (not included).

Suggestions

- Portable and great for travelling.
- Use it during a short break, when travelling, before bedtime.
- A great alternative to hot towels or microwavable heat packs.
- Able to connect to a USB power source such as a power bank, PC, car charger, phone charger or on an airplane.
- Disposable cotton liners are also available.
